

WFNS2022 | SCIENTIFIC PROGRAM

13/03/2022

14:30 - 15:50 PRE-CONGRESS COURSE GLOBAL NEUROSURGERY - Session 1: Global Neurosurgery: State of Play

Room BC

Moderators: Park, Kee

- 14:30 - 14:35 Introduction and Objectives: Global Neurosurgery - State to play
Kee Park (Cambodia)
- 14:35 - 14:50 Global Health Policy and Neurosurgery : Case of the NSOAPs
Walter Johnson (United States)
- 14:50 - 15:05 Advocacy in Global Neurosurgery: The G4 Experience
Gail Rosseau (United States)
- 15:05 - 15:20 Comprehensive Policy Approach to Spina Bifida
Ahmed Negida (United States)
- 15:20 - 15:35 Prevention as a Global Neurosurgery Strategy: Case for Folic Acid Fortification
Jeffrey Blount (United States)
- 15:35 - 15:50 Ethical Framework and Challenges in Global NSG
Stephen Honeybul (Australia)

16:05 - 16:45 PRE-CONGRESS COURSE GLOBAL NEUROSURGERY - Session 2: GNC 1.0 Global Action Plan Update

Room BC

Moderators: Park, Kee

- 16:05 - 16:20 Global Neurosurgery Committee 1.0: Genesis and the GAP
Abdessamad El Ouahabi (Morocco)
- 16:20 - 16:30 The Global Neurosurgery Committee: Progress Made Towards the Advance and Amplify Objective
Hodan Abdi (United States)
- 16:30 - 16:40 The Global Neurosurgery Committee: Progress Made Towards the Align and Advocate Objective
Mohd Radzi Hamzah (Malaysia)
- 16:40 - 16:45 The Global Neurosurgery Committee: Progress Made Towards the Assimilate Objective
Edward Ham (United States)

17:00 - 18:30 PRE-CONGRESS COURSE GLOBAL NEUROSURGERY - Session 3: GNC 2.0 Next Steps**Room BC Moderators:** *Park, Kee*

17:00 - 17:10 Strategy for GNC 2.0

Kee Park (Cambodia)

17:10 - 17:20 Importance of Coordination for Global Neurosurgery

Tariq Khan (Pakistan)

17:20 - 17:30 Pediatric neuro-oncology- It takes a village

Frederick Boop (United States)

17:30 - 17:40 Accelerating Neurosurgical Capacity Building in LMICs through Technology and Innovation

James Johnston (United States)

17:40 - 17:50 Journal of Global Neurosurgery

Ignatius Esene (Cameroon)

17:50 - 18:00 Neurosurgical workforce expansion strategies

Abdessamad El Ouahabi (Morocco)

18:00 - 18:30 Discussion and closing remarks

Najja El Abbadi (Morocco)

18:00 - 18:30 Discussion and closing remarks

Kee Park (Cambodia)

07:00 - 08:30 STATE OF ART - Global Neurosurgery

Room J **Moderators:** *Park, Kee*
El Abbadi, Prof. Najia

- 7:00 - 07:15 Global Neurosurgery: Past, Present and Future
Kee Park (Cambodia)
- 7:15 - 07:30 Health Systems Approach to Achieving Neurosurgical Equity
Walter Johnson (United States)
- 7:30 - 07:45 Research Capacity Building in LMICs
Ignatius Esene (Cameroon)
- 7:45 - 08:00 The Future of Global Neurosurgery is Bright: The Role of Students and Trainees
Hodan Abdi (United States)
- 8:00 - 08:15 Ethics, Law and Neurosurgery: How We Integrate These Domains in our Daily Practice
Humberto Caiafa Rivas (Colombia)
- 8:15 - 08:30 Prevention as a Global Neurosurgery Strategy: GAPSBi-F
Gail Rosseau (United States)

08:40 - 10:10 CONTROVERSIES IN NEUROSURGERY - Global Neurosurgery

Room J **Moderators:** *Rosseau, Gail*
Esene, Ignatius

- 8:40 - 08:55 How to Build Neurosurgical Systems in Low Resources Environments: A Socioeconomical Challenge
Ernest Barthelemy (United States)
- 8:55 - 09:10 Neurosurgical Education in the Context of Global Neurosurgery: The Role of Continental Societies in the Development of a Paradigm Shift
Luis Borba (Brazil)
- 9:10 - 09:25 Global Neurosurgery Research Collaborative and the proposal to scale up neurosurgeons in MENA
Ahmed Negida (United States)
- 9:25 - 09:40 Women in Global Neurosurgery
Najia El Abbadi (Morocco)
- 9:40 - 09:55 Management of Spinal Complex Cases in Low Resources Environments: An Ethical Dilemma?
Nicephorus Boniface Rutabasibwa (Tanzania, United Republic of)
- 9:55 - 10:10 Discussion

11:40 - 12:00 PLENARY SESSION - Global Neurosurgery

Auditorium Moderators: *Fonseca, Marco*
Soriano Sánchez, Jose Antonio
El Abbadi, Prof. Najia

11:40 - 12:00 Global Neurosurgery: Working Together to Address Unmet Needs
Kee Park (Cambodia)
