

## Sunday, March 13, 2022

	Room A	Room BC	Room D	Room EF	Room G	Room HI	Room J	Room K	Room LM	Room N	Room O	Room P		
07,00-07,30		7,30h		7,30h		7,00h								
08,00-08,30		PRE-CONGRESS COURSE NEURO TRAUMA		PRE-CONGRESS COURSE SKULL BASE		PRE-CONGRESS COURSE VASCULAR	7,50h	8,00h PRE-CONGRESS COURSE HYDROCEPHALUS 09,45h	7,50h	7,50h	8,15h	7:50h		
09,00-09,30								PRE-CONGRESS COURSE PERIPHERAL NERVE	10,15h PRE-CONGRESS COURSE FETAL NEUROSURGERY	PRE-CONGRESS COURSE ONCOLOGY	PRE-CONGRESS COURSE NEUROANATOMY	PRE-CONGRESS COURSE SPINE	PRE-CONGRESS COURSE EPILEPSY	
10,00-10,30														
11,00-11,30														
12,00-12,30		12,20 h		12,10 h		12,20 h	12,45h	12,30h	12,30h	13,00h	12,30h	12,00h		
13,00-13,30														
14,00-14,30		14,30h		14,00 h	14,00h	14,00 h	14,00h	14,00h	14,00 h		14,00h	14,00h		
15,00-15,30		PRE-CONGRESS COURSE GLOBAL NEUROSURGERY			PRE-CONGRESS COURSE SKULLBASE ENDOSCOPY			14,00h PRE-COURSE NEUROENDOSCOPIC SURGERY 16,30h						
16,00-16,30									17,00h					
17,00-17,30							18,00h				18,00h			
18,00-18,30			18,30h		18,15h	19,00h		18,30h					18,10h	

# Monday, March 14, 2022

	Room A	Room BC	Room D	Room EF	Room G	Room HI	Room J	Room K	Room LM	Room N	Room O	Room P	
7:00 - 8:30	STATE OF ART - Trauma war and disaster			STATE OF ART - Skull Base I	STATE OF ART - Functional I	STATE OF ART - Vascular I	STATE OF ART - Peripheral I	STATE OF ART - Pediatric I	STATE OF ART - Oncology I	STATE OF ART - Next Millennium I	STATE OF ART - Spine I	1st EC Meeting	
8:40 - 10:10			Controversy in Neurosurgery - Virtual and Augmented Reality in Neurosurgery	Controversy in Neurosurgery - Skull Base I	Controversy in Neurosurgery - Functional I	Controversy in Neurosurgery - Vascular I	Controversy in Neurosurgery - Peripheral I	Controversy in Neurosurgery - Pediatric I	Controversy in Neurosurgery - Oncology I		Controversy in Neurosurgery - Spine I		
10:10 - 10:40	COFFEE BREAK WITH EXHIBITORS - Monday morning												
10:40 - 11:00	PLENARY SESSION - Vascular I												
11:00 - 11:20	PLENARY SESSION - Spine I												
11:20 - 11:40	PLENARY SESSION - Oncology I												
11:40 - 12:00	PLENARY SESSION - Skull Base I												
12:00 - 12:20	PLENARY SESSION - Special Guest I												
12:30 - 13:00	Lunch session - Dr Paul Gardner						Varian   Satellite Symposium	LUNCHEON SYMPOSIUM - Monday // E-poster sessions					
13:00 - 14:00													
14:00 - 16:00	Personal neurosurgical practice and research - GL1   Global Neurosurgery	Personal neurosurgical practice and research - EPI   Epilepsy	Personal neurosurgical practice and research - GL2   Global Neurosurgery	Personal neurosurgical practice and research - VA1   Vascular	Personal neurosurgical practice and research - VA2   Vascular	Personal neurosurgical practice and research - SP01   Spine		Personal neurosurgical practice and research - OC01   Oncology	Personal neurosurgical practice and research- OC02   Oncology + AN1   Anatomy	Personal neurosurgical practice and research - FUN1   Functional	Personal neurosurgical practice and research - SB1   Skull Base	2nd EC Meeting	
16:00 - 16:30	COFFEE BREAK WITH EXHIBITORS - Monday afternoon												
16:30 - 18:10	Personal neurosurgical practice and research - GL3   Global Neurosurgery	Personal neurosurgical practice and research - PR1   Peripheral		Personal neurosurgical practice and research - VA3   Vascular	Personal neurosurgical practice and research - VA4   Vascular	Personal neurosurgical practice and research - SP02   Spine		Personal neurosurgical practice and research - OC03   Oncology	Personal neurosurgical practice and research - OC04   Oncology	Personal neurosurgical practice and research - PED1   Pediatric	Personal neurosurgical practice and research - SB2   Skull Base		
18:30 - 20:15	OPENING CEREMONY												
20:15 - 21:30	WELCOME RECEPTION												

## Tuesday, March 15, 2022

	Room A	Room BC	Room D	Room EF	Room G	Room HI	Room J	Room K	Room LM	Room N	Room O	Room P
7:00 - 8:30	III World Forum for the Political and Socioeconomic Development of Neurosurgery I	STATE OF ART - Trauma I			STATE OF ART - Functional II	STATE OF ART - Vascular II	STATE OF ART - Peripheral II	STATE OF ART - Pediatric II	STATE OF ART - Oncology II	STATE OF ART - Next Millennium II	STATE OF ART - Spine II	STATE OF ART - Epilepsy
8:40 - 10:10		Controversy in Neurosurgery - Trauma I			Controversy in Neurosurgery - Functional II	Controversy in Neurosurgery - Vascular II	Controversy in Neurosurgery - Peripheral II	Controversy in Neurosurgery - Pediatric II	Controversy in Neurosurgery - Oncology II	WFNS SPINE COMMITTEE I	Controversy in Neurosurgery - Spine II	Controversy in Neurosurgery - Epilepsy
10:10 - 10:40	<b>COFFEE BREAK WITH EXHIBITORS - Tuesday morning</b>											
10:40 - 11:30	III World Forum for the Political and Socioeconomic Development of Neurosurgery II	Personal neurosurgical practice and research - GL4   Global Neurosurgery		Personal neurosurgical practice and research - VA5   Vascular	Personal neurosurgical practice and research - VA6   Vascular	Personal neurosurgical practice and research - SP03   Spine	Personal neurosurgical practice and research - SP04   Spine	Personal neurosurgical practice and research - OC05   Oncology	Personal neurosurgical practice and research - OC06   Oncology	Personal neurosurgical practice and research - PED2   Pediatric	Personal neurosurgical practice and research - SB3   Skull Base	Personal neurosurgical practice and research - FUN2   Functional
11:30 - 12:20												
12:30 - 13:45	<b>LUNCH SESSION - Dr Ossama Al-Mefty</b>											
12:30 - 14:00	<b>LUNCHEON SYMPOSIUM - Tuesday // E-poster sessions</b>					Varian Workshop		o8t Workshop			Medtronic Satellite Symposium	
14:00 - 16:00	Personal neurosurgical practice and research - GL5   Global Neurosurgery	Personal neurosurgical practice and research - GL6   Global Neurosurgery		Personal neurosurgical practice and research - VA7   Vascular	Personal neurosurgical practice and research - HY1   Hydrocephalus		Personal neurosurgical practice and research - SP05   Spine	Personal neurosurgical practice and research - OC07   Oncology	Personal neurosurgical practice and research - OC08   Oncology	Personal neurosurgical practice and research - PED3   Pediatric	Personal neurosurgical practice and research - SB4   Skull Base	Personal neurosurgical practice and research - FUN3   Functional
16:00 - 16:30	<b>COFFEE BREAK WITH EXHIBITORS - Tuesday afternoon</b>											
16:30 - 16:50	PLENARY SESSION - Vascular II											
16:50 - 17:10	PLENARY SESSION - Spine II											
17:10 - 17:30	PLENARY SESSION - Skull Base II											
17:30 - 17:50	PLENARY SESSION - Functional											
17:50 - 18:10	PLENARY SESSION - Special Guest II											
18:10 - 18:15	CLAN 2022 Miami Presentation											
20:00 - 23:00	PRESIDENTIAL DINNER											

## Wednesday, March 16, 2022

	Room A	Room BC	Room D	Room EF	Room G	Room HI	Room LM	Room N	Room O	Room P
7:00 - 8:30	Complications Symposium	STATE OF ART - Trauma II	Neurosurgical Anatomy Approaches Symposium	STATE OF ART - Skull Base II	STATE OF ART - Functional III	STATE OF ART - Vascular III	STATE OF ART - Oncology III	WFNS Spine Committee II		Hydrocephalus Symposium
8:30 - 8:40										
8:40 - 10:10		Controversy in Neurosurgery - Trauma II		Controversy in Neurosurgery - Skull Base II	Controversy in Neurosurgery - Functional III	Controversy in Neurosurgery - Vascular III	Controversy in Neurosurgery - Oncology III		Controversy in Neurosurgery - Spine III	
10:10 - 10:40	COFFEE BREAK WITH EXHIBITORS - Wednesday morning									
10:40 - 11:00	PLENARY SESSION - Oncology II									
11:00 - 11:20	PLENARY SESSION - Skull Base III									
11:20 - 11:40	PLENARY SESSION - Vascular III									
11:40 - 12:00	PLENARY SESSION - Hydrocephalus									
12:00 - 12:20	PLENARY SESSION - Special Guest III									
12:30 - 14:00	LUNCH SESSION - Dr. Madjid Samii					E-poster sessions			BSCI Workshop	
14:00 - 16:00		VIDEO SESSIONS - Miscellaneous		VIDEO SESSIONS - Skull Base		VIDEO SESSIONS - Vascular	VIDEO SESSIONS - Oncology / Functional		VIDEO SESSIONS - Spine	
16:00 - 16:30	COFFEE BREAK WITH EXHIBITORS - Wednesday Afternoon									
16:30 - 18:10		VIDEO SESSIONS - Miscellaneous II		VIDEO SESSIONS - Skull Base II		VIDEO SESSIONS - Vascular II	VIDEO SESSIONS - Oncology / Functional II		VIDEO SESSIONS - Spine II	
18:00 - 18:45				BOOK PRESENTATION						
19:30 - 19:30	COLOMBIAN NATIONAL SYMPHONY ORCHESTRA CONCERT									

## Thursday, March 17, 2022

	Room A	Room BC	Room D	Room EF	Room G	Room HI	Room J	Room K	Room LM	Room N	Room O	Room P
7:00 - 8:00		STATE OF ART - Trauma III		STATE OF ART - Skull Base III	STATE OF ART - Functional IV	STATE OF ART - Vascular IV		STATE OF ART - Pediatric III	STATE OF ART - Oncology IV	STATE OF ART - Vascular V	STATE OF ART - Spine III	3rd EC Meeting
8:00 - 8:40							Neuroendoscopy Symposium   WFNS Neuroendoscopy Committee					
8:40 - 9:00	WFNS Young Neurosurgeon Awardees session	Controversy in Neurosurgery - Trauma III		Controversy in Neurosurgery - Skull Base III	Controversy in Neurosurgery - Functional IV	Controversy in Neurosurgery - Vascular IV		Controversy in Neurosurgery - Pediatric III	Controversy in Neurosurgery - Oncology IV	Controversy in Neurosurgery - Vascular V	Controversy in Neurosurgery - Spine IV	
9:00 - 10:10												
10:10 - 10:40	COFFEE BREAK WITH EXHIBITORS - Thursday morning											
10:40 - 12:20		Personal neurosurgical practice and research - GL7   Global Neurosurgery		Personal neurosurgical practice and research - VA8   Vascular		Personal neurosurgical practice and research - SP06   Spine	Personal neurosurgical practice and research - HY2   Hydrocephalus		Personal neurosurgical practice and research - OC09   Oncology	Personal neurosurgical practice and research - SB5   Skull Base		Personal neurosurgical practice and research - TR1   Trauma
12:30 - 2:00	LUNCHEON SYMPOSIUM - Thursday // E-poster sessions					Stryker Product Presentation						
2:00 - 4:00		Personal neurosurgical practice and research - GL8   Global Neurosurgery		Personal neurosurgical practice and research - VA9   Vascular		Personal neurosurgical practice and research - SP07   Spine	Personal neurosurgical practice and research - SP08   Spine		Personal neurosurgical practice and research - OC10   Oncology	Personal neurosurgical practice and research - SB6   Skull Base		Personal neurosurgical practice and research - TR2   Trauma
4:00 - 4:30	COFFEE BREAK WITH EXHIBITORS - Thursday Afternoon											
4:30 - 4:50	PLENARY SESSION - Vascular IV											
4:50 - 5:10	PLENARY SESSION - Trauma											
5:10 - 5:30	PLENARY SESSION - Skull Base IV											
5:30 - 5:50	PLENARY SESSION - Pediatric											
5:50 - 6:10	PLENARY SESSION - Special Guest IV											
8:00 - 11:00	FAREWELL DINNER											

## Friday, March 18, 2022

	Room A	Room BC	Room D	Room EF	Room G	Room HI	Room J	Room K	Room LM	Room N	Room O	Room P
7:00 - 8:30		STATE OF ART - Trauma IV		STATE OF ART - Skull Base IV	Vascular Decompressions Symposium - Recognition to Prof Marc Sindou	STATE OF ART - Vascular VI	STATE OF ART - Global Neurosurgery		STATE OF ART - Skull Base V		STATE OF ART - Spine IV	WFNS Complications Symposium   STATE OF ART
8:30 - 8:40	Break (10 min)					Break (10 min)						
8:40 - 10:10		Controversy in Neurosurgery - Trauma IV		Controversy in Neurosurgery - Skull Base IV		Controversy in Neurosurgery - Vascular VI	Controversy in Neurosurgery - Global Neurosurgery		Controversy in Neurosurgery - Spine VI		Controversy in Neurosurgery - Spine V	
10:10 - 10:40	Break (30 min)											
10:40 - 11:00	PLENARY SESSION - Vascular V											
11:00 - 11:20	PLENARY SESSION - Spine III											
11:20 - 11:40	PLENARY SESSION - Skull Base V											
11:40 - 12:00	PLENARY SESSION - Global Neurosurgery											
12:00 - 12:20	PLENARY SESSION - Special Guest V											
12:30 - 13:00	Global Neurosurgery: 6 Years since Bogota Declaration celebration											
13:00 - 13:30	Closing
